

# JEWISH CEMETERY SCHOPFLOCH

## FAMILY NAME INDEX

compiled by Rolf Hofmann

based on previous research activities of Angelika Brosig ([angelikabrosig@aol.com](mailto:angelikabrosig@aol.com))

VERSION 15

Schopfloch once was a central cemetery for a couple of surrounding Jewish communities. The villages where the deceased had lived are indicated at the following family name index by capital letters: Dinkelsbuehl = D, Feuchtwangen = F, Leutershausen = L, Moenchsroth = M, Nuernberg = N, Schopfloch = S, Unterdeufstetten = U, Wittelshofen = W - 4 digit numbers indicate grave numbers.

This list contains nearly 240 names which were written on grave monuments in German letters. Names written in Hebrew letters (over 900) are not part of this list and must be identified separately. Spelling of names at grave inscriptions are sometimes different from those at community's death records.

**List may contain errors due to difficult legibility of some of the grave inscriptions.**
